Welcome to your LSC Grants Home

Instructions

The **LSC Grants Home** page allows an applicant to either create a Notice of Intent to Compete (NIC) application or view existing NIC and grant applications.

- To begin your NIC application, click the link in the **Service Areas in Competition for 2010 LSC Grants** section below. After your NIC is approved, your grant application will appear in the **To Do - Application** section below.
- To view and edit your NIC and grant application(s) click the links listed under **Tasks** in the **To Do - Application** section below.
- Applicants who apply for more than one service area should complete a separate NIC for each service area.
- To create a new NIC based on an existing one, click **Copy** to the right of the NIC task in the **To Do - Application** section.
- To copy information from one grant application to another, click **Copy** to the right of the grant application task in the **To Do - Application** section.
- To view or print the information entered in the application, click **View PDF** to the right of the NIC or grant application task in the **To Do - Application** section. This will create an Adobe Acrobat PDF file which you can view, print or save.
- To print a particular form, click the printer icon which appears at the right side of the blue title bar at the top of each page. You will get a pop-up window showing the contents of the form without the left-hand navigation.
- To change your password, click **Change Password** in the navigation on the left.
